Cluster Management Towards Excellence in Advanced Manufacturing and Textile Industry

CLAMTEX main objective is to promote the excellence of the participating European clusters management to boost their specialised innovation eco-system by facilitating the cross-sectoral and cross-regional collaboration to enable the uptake of digitalisation within and beyond the partnership with the implementation of ClusterXchange pilot scheme

CLAMTEX Specific Objectives

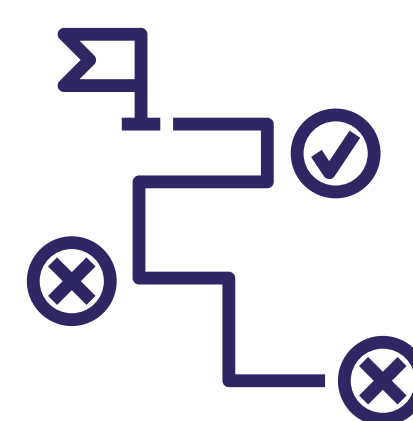

**Strategy review
towards cluster
excellence**

**Hands-on
cross-border
collaboration**

**Clusters
capacity-building
programme**

**Clusters
collaboration
roadmap**

CLUSTERXCHANGE

The ClusterXchange Programme is an initiative that allows organisations to improve their innovative and networking capacities through targeted visits to hosting organisations, exploring a foreign cluster and meeting new enterprises, businesses, researchers, experts and managers. This programme enables them to innovate by developing cross-sectoral and cross-regional strategies.
